

Name Mat - Mat

1. What is your project?

My project is about the Solar System.

2. Why is this project worthwhile?

It's worthwhile because the Solar System is interesting to me and I want to learn more about it.

3. What do you expect to learn from this project?

I expect to learn a lot about space because I want to be an astronaut and be the 1st female to land on Mars. I expect to learn how to make a space party.

Name Mat-Mat

4. What product will you have to show at the end?

My Space Party is my product I will show at the end.

I+ I will have games and art. The games and art have facts. There is dance at the party and a dance routine.

5. Who will be the audience for this project?

My audience will be 2A, 2B, 1.

6. How will this project enhance our community and make it more awesome?

It will help students learn about space in a fun way. Because the games and art have facts.
