

Name

Layla

1. What is your project?

My project is about fossils I'm doing a fossil coloring book with facts.

2. Why is this project worthwhile?

People should learn about fossils because dinosaurs don't exist so you could see what they're like.

3. What do you expect to learn from this project?

I expect to learn that for the next project it'll be easy peesy to make coloring books next time. I'm also learning about fossils.

Layla

4. What product will you have to show at the end?

I will have to show the final fossil coloring book.

5. Who will be the audience for this project?

The audience will be the whole second grade and the teachers and fourth graders because they do lots of science projects.

6. How will this project enhance our community and make it more awesome?

I will give people the coloring books so they can learn the facts. ~~I will also learn about~~
